

Directions to Clip Display:

Production

Church Road Wick Bristol BS30 5RD

From the M4

Leave the M4 at Junction 18. Follow the A46 towards Bath. After about 2 miles there is a roundabout, turn right onto the A420 towards Bristol. After approximately 3 miles you enter the village of Wick. Go past the Rose & Crown pub on your left hand side, straight on through the traffic lights and Clip Display is the last building on your left (opposite the speed camera), we have a low white wall outside. Visitors parking is available immediately to the right of the entrance.

From Bristol City Centre

Use the M32 and exit at Junction 1 signposted A4174 Kingswood/Filton. At the roundabout, take the 3rd exit, marked Frenchay/Kingswood. At the set of traffic lights go straight on. At next roundabout take first exit, at the next 3 roundabouts carry straight on. At the Kingswood roundabout (Kingswood is third exit) take first left signposted A420 Warmley (Esso garage on your left). Carry on through Warmley (through set of traffic lights), you will reach a small double roundabout. Carry straight over (past the Griffen and White Hart pubs), follow the A420 up and down the hill into Wick. Past the Church on the left and Clip is the first building on the right (opposite School and speed camera).
